

**The Sixty Ninth
Rotary Club of St Andrews
International Golf Tournament
Sunday 8 June - Thursday 12 June 2025**

Dear Rotarian,

The Rotary Club of St Andrews and the International Golf Committee are looking forward to welcoming you to St Andrews in 2025.

The playing of the Sixty Ninth **Rotary Club of St Andrews International Golf Tournament** is planned to take place from Sunday 8th to Thursday 12th June 2025.

The Committee hopes to make the week as enjoyable as possible for everyone. Those who have taken part before will know that the week is one of the finest fellowship weeks in the Rotary Calendar. The golf is important, but it is the meeting of old and new friends that makes it so special.

To play the world-famous Old Course is always an experience especially when tee times are becoming more difficult to obtain, and we are happy to confirm that once again The Old Course is part of our programme for 2025. Golf is the principal element of the week but in addition we have a drinks reception and pipe-band welcome. There is also a putting competition over the famous 'Himalayas'. Due to unforeseen circumstances the prizegiving dinner will be two separate events this year. An International Golf Fellowship Dinner will be held on the Wednesday evening in the Hall of Champions at the Old Course Hotel, St Andrews with the prizegiving being held in The New Golf Club's Function Suite at 17:30 on the Thursday. We hope you will support both events.

However, the programme may be subject to change depending on circumstances at the time. Please let us know in advance if you require any specific assistance to participate.

The competitions and golf events

The Main Competition will be in Stableford format and the Qualifying Rounds on Monday and Tuesday will be played over the Old and Eden Courses. The top 45 Rotarians after the qualifying rounds will enter 'The Rotary Club of St Andrews International Golf Championship'. This will be played over the next two days, firstly on the New Course with the final round on the Old Course.

The St Andrews Quaich Competition will be open to the next 45 Rotarians who have not qualified for the International Golf Championship and will be played over the Jubilee Course on Wednesday afternoon.

Charity Golf Event: For those who do not qualify for either the International Golf Championship or Quaich events there will be the opportunity to play in the Charity event over the Duke's Course on the Wednesday.

Lady Golfers: there are two separate competitions for Lady Golfers although Lady Rotarians may elect to play in the Main Competition.

Fellowship Foursomes: this ever-popular event will be played on Thursday morning over the Strathtyrum Course.

No player can win more than one major trophy and as always, the Committee's decision is final on all matters. Please pay particular attention to completing the Registration Form.

It is particularly important for you to state on your registration form if you wish to play in the International Golf Championship and the St Andrews Quaich events. Names may be withdrawn at any time. However, names will not be accepted to play once the qualifying rounds have started. Those who have elected not to play will be marked accordingly on the main scoreboard, so it is essential that you confirm your selections on Registration at the New Golf Club on arrival in St Andrews.

5. The Competitions

Qualifying Competition will consist of two Stableford rounds, one over the Old Course and one over the Eden Course. Play will be in threes, from boxes, and **players will be expected to pick up their ball if no points are to be scored at a particular hole.**

St Andrews Quaich

A Stableford competition will be held on the Jubilee Course on Wednesday afternoon for those who do not qualify for the Rotary Club of St Andrews International Golf Championship.

It will be limited to 45 Rotarian players as determined by their performance in the qualifying rounds and who have opted to play in the St Andrews Quaich on their registration form. If there is a tie for 45th place, the score over the 'Old' will decide. (Countback may be applied).

The top 3 players in this competition will play a complimentary round on the 'Old' on Thursday morning.
